

Course Aims

This course puts the enjoyment of the text at the heart of the reading process whilst offering strategies and activities to encourage pupils to read as a writer. This is essential to the experiences of all pupils, but especially those who may achieve greater depth in reading and/or writing.

Who should attend?

There are sessions covering years 1-3 and years 3-6 to accommodate teachers with split level classes. Literacy subject leaders and HLTAs are also invited to attend.
